

# The vision of Lion of Judah Ministries international

It is difficult to describe, what GOD revealed within the last twenty years gradually and only in result of many obedience steps.- a revelation that is until today not final yet.

For me it was very amazing, that HE showed much in pictures, because this is not the usual way HE speaks to me. Now where I sit here and try to write the vision down, I realize that without the pictures, I would not be able to explain HIS purpose for this ministry. Particularly I will talk about three illustrations in the order like they were shown.

But without the confirmations out of GOD's word, the bible, by which only a small fraction can be numerated, and by many spirit filled Christians from all over the world this ministry for GOD unto mankind would not exist.

So at this point I first want to thank all of those brothers and sisters - and especially by my wife, Sabine, who brought the largest victims for this call.

For my own thinking, confidence and my own courage the vision is simply much too large – it extends over the whole globe and the promises are for all children of GOD across all denominations in the whole world.

Let's start with the **name** of HIS ministry:

**Lion of Judah**, the lion of the tribe of Judah; a designation for Jesus Christ found in **Revelation 5:5**

*Weep not. Behold, the lion, who is of the tribe of Judah, the root of David, **has overcome**, he who opens the book and it's seven seals.*

I think the appellation as a lion is a symbol for HIS power and Judah, that means worshiper; for HIS descent in the natural, from this of the twelve tribes of Israel.

The name for the ministry didn't come like a vision - it simply stuck in my mind. HIS name, because it is HIS ministry.

Although I think in German I strangely got it in English. At this particular time I didn't know the reason for that and also not from the extent of the vision.

## HIS banner – the Lion of Judah

We received a confirmation for the name and the sense for the English language, when our spiritual eyes saw the vision. A majestic lion with it's paw on the globe and in the background space and the stars.

Except of the lion, perhaps a scenery a visitor could enjoy from the moon, when it's position is almost between sun and the earth. Just in this picture not the equator but the land of ISRAEL was found in the center of the globe.

We found the explanations about it in the bible:

**Jesaja 66:1** ... Thus says Yahweh, "Heaven is my throne, and the earth is my footstool ...,"

**Matthew 5:34-35** ... neither by heaven, for it is the throne of God; 35. nor by the earth, for it is the footstool of his feet; ... and in Ezekiel **38:12**, a prophecy of the end times, which is partially fulfilled, Israel is called the navel or the center of the earth.

So the vision wasn't for a single city or a country, but GOD's mind was on the whole world.

Suddenly I realized that predication of Jesus, before his return the gospel would be preached in the whole world, is almost fulfilled.

**Matthew 24:14** *This Good News of the Kingdom will be preached in the whole world for a testimony to all the nations, and then the end will come.*

The technical progress allows us to connect with people on other continents within split seconds and stay in spirit on their side.

Possibilities that exist lately in this last time before the second coming of Jesus – and HIS children **have to** use them!

On the one hand that the whole world can catch the existance and greatness of our Lord through the love we have to each other (John 13:35).

And on the other to achieve the true meaning of ekklesia (in Greek the assembly of people for a particular purpose, mostly translated with church) the community and cooperation of the whole family of God worldwide – the bible don't speak from several but only from **one** bride!

## HIS house – our common ministry for God unto mankind

A further vision was, something like the roof of a house coming from above out of the sky, held by two hands. Then twelve pillars began to grow down, not all at once but one after another until all touched a common platform. This ground stood on the top of a gigantic rock which served as foundation.

The whole building resembled an ancient temple, like we know from illustrations of the Acropolis, only the gravity seemed to work the wrong way. I had in the spirit the certainty that the pillars don't support the roof - yes that they were not even able to carry their own weight. Every single one was held from above and was firmly rooted in the roof, the ground made only a further connection and community among them.

Then further revelations followed over the picture, the roof offered protection and supply for the entire service and for all people therein. It wasn't thought up and built by humans, but of God called in existence. The pillars represent the individual service areas which arise in the work. Tasks in those every Christian can find his place to contribute in building the realm of God in this world.

In alphabetical order these symbolize in detail:

<b>Addiction Ministry</b>	To help and to release people with addictions and liberation of all kinds.
<b>Church at home</b>	House communities like they were usual in the time of the apostles and first Christians
<b>Lion for Israel</b>	Israel is the common root what carries each Christian (Romans 11) and also our Lord Jesus originates from this nation. Here we want to bless Israel like God has applied.
<b>Man of God</b>	Work for men, the word of God says in <b>Proverbs 27:17</b> <i>Iron sharpens iron; so a man sharpens his friend's countenance.</i>
<b>Motorcycle Ministries</b>	A service of motorcyclist, here we want also to reach the „rocker“ scene.
<b>Prayer Ministry-</b>	Without protection by prayer no work for God carries fruits in this lost world.
<b>Prisoner Ministry</b>	God's love does not know any exception and Jesus himself came to set prisoners free.
<b>Rocking Church</b>	A range, which has music and praise (Judah) for the glory of God to content. Something that will last in eternity where neither will be illness, age or needs any more.
<b>Senior Ministry</b>	The work for and together with our older fellow men.

<b>Wellness</b>	God desires that we are healthy and well, physically, spiritually and also materially in each range.
<b>Woman of God</b>	Work of and for woman – find in the vocation God has put on your life.
<b>Youth Ministry</b>	A service through and with children and young people. But this concerns all of us, Jesus says in <b>Matthew 18:3-4</b> <i>“Most certainly I tell you, unless you turn, and become as little children, you will in no way enter into the Kingdom of Heaven. Whoever therefore humbles himself as this little child, the same is the greatest in the Kingdom of Heaven.”</i>

All these areas shall serve the whole body of Christ, we want stand in this by each other with our respective gifts and abilities. At the same time there also exists an evangelistic mission for each of this pillars.

The platform under the pillars symbolizes co-operation and belonging together of the different ministries also it builds their interface to the world. The ground neither is thought by the pillars nor carries it these. It has alone our Lord Jesus Christ as own foundation.

On this basis are found for example web pages which offers information, online prayer services, activities in social networks, or also the spirit stations. These are meetings for brothers and sisters from all ranges, to those everybody can invite acquaintances, colleagues and neighbors in order to become acquainted with God in a family circle.

I realized that in this house everything was opened, there aren't any walls, no doors, nothing that could lock in or out someone. My first impulse was: There everybody can come ... then I became conscious to me that the only way to this house of the Lord leads across Jesus, the rock (**1. Corinthians 10:4** ... , and the rock was Christ.) Also came the realization like a lightning that the admission requires a climbing up to the top of the rock, that **overcoming** is thus required by each particular although this house of God is opened for all of HIS children from around the world!

In addition Sabine received a wonderful promise out of the word of God, that is valid for all brothers and sisters, who take this arduous way to the house of the father – and remain there:

**Revelation 3:12** ... **He who overcomes**, I will make him a pillar in the temple of my God, and he will go out from there no more. I will write on him the name of my God, and the name of the city of my God, the new Jerusalem, which comes down out of heaven from my God, and my own new name.

### HIS covenant - the threefold cord

God showed a further promise for all brothers and sisters in this covenant with HIM – however also this step requires **overcoming**.

To give up your own independence and sovereignty.

It's the same picture that is used for the biblical marriage covenant.

**Ecclesiastes 4:12**... *If a man prevails against one who is alone, two shall withstand him; and a threefold cord is not quickly broken.*

I „heard“ the promise and was allowed to „watch“ how HE formed a unity, out of each brother and sister who was ready for this, the whole ministry and HIMSELF. A rope that by no enemy can be torn up – as long as the single remains in this unity and so don't destroys the connection with God and his family.

One term in this vision for the global community of the children of god in this last time has a very special meaning – **the overcoming** – but overcoming what?

It has lasted a long time, however in the meantime we know the answer:

**It's the challenge of the father to each of HIS children to place the „I want ...“ behind HIS will!**

Thereby Lion of Judah Ministries wants in no case to replace any local church or community, quite the contrary, we encourage each Christian to engage in addition also locally. We want to build HIS empire together as brothers and sisters, with all organizations, which regard the Word of Gos as the highest authority, and for fill our order of Jesus Christ:

**Mark 15:16**... *Go into all the world, and preach the Good News to the whole creation!*

Let's love HIM and our brothers and sisters because we all are HIS bride and HE is the bridegroom...
